We are always conscious of maintaining the building structure. We are in the process of repairing the door sills, which are in very poor condition. A problem with the wall (basement) has been taken care of. This was quite an expensive undertaking; as a contractor with special equipment had to be hired. General maintenance and property insurance is always an expense. Thus, the reason for the self-addressed envelope. Please consider a donation to help keep the church in repair along with the every day expenses.

Please let us know if your address has changed or you wish to be removed. As always, thank you for your past support. Any questions, please call our chair person, Nancy @570-889-5164 or our sec, Karen @570-764-0770.

Sincerely The Old White Church Preservation Committee
