We are always conscious of maintaining the building structure. We are still in the process of repairing the door sills, which are in very poor condition. It has been a challenge to obtain someone willing to take on the task of repairing them. However, we are hopeful of success in the very near future. General maintenance and property insurance is always an expense. Thus, the reason for the self-addressed envelope. Please consider a donation to help keep the church in repair along with the every day expenses.

Please let us know if your address has changed or if you wish to be removed from our mailing list. As always, thank you for your past support. Any questions, please call our chair person, Nancy @570-889-5164.

Sincerely The Old White Church Preservation Committee
