

St. John's, Brandonville, PA

2024-2025

TIME & TALENTS

Witnessing to our faith in Jesus Christ takes many forms in daily life and in the community of believers. Ways in which that ministry can take place have been identified by our volunteer coordinating team. This form indicates the current opportunities for members to become involved in specific ways with our mission. Additional information about each of the opportunities for service is available upon request.

OUR VOLUNTEER NEEDS FOR 2024-2025
