Donating through a QCD

If you are age 70 ½ or older, IRS rules may allow you to take required minimum distributions (RMDs) each year from your tax-deferred retirement accounts (IRAs, 401(k)s, 403(b)s, 457(b)s, inherited IRA plans, etc.). If you take the RMD as income, it will count as taxable income. This additional taxable income may push you into a high tax bracket and may also reduce your eligibility for certain tax credits and deductions. To eliminate or reduce the impact of RMD income, instead consider making a qualified charitable distribution (QCD) to St. John's Lutheran. Please speak with your financial advisor before taking any funds from your tax deferred retirement account.
