2025-2026
TIME & TALENTS

It's that time again this year to **annually** rededicate our time and talents. As we do this each year, we become witnesses to God's continued blessings. Witnessing to our faith in Jesus Christ takes many forms in daily life and in the community of believers (the church). There are many ways in which you can be **involved** and **are needed** to serve. This **Annual** form indicates the opportunities for members of our congregation to become involved in specific ways with our mission at St. John's this coming year. If you have any questions or would like further information about a particular volunteer opportunity, there is a booklet available. You will find a copy in the church office. Copies of any particular volunteer opportunity description can be made upon request.
