

Summer Days

Faithful steps

Summer Days
Faithful Steps

Here we are. It is summer again. Last year I came the first week in July and so I did not get to write the summer newsletter, but I am excited to be back to this time of year. During the winter it is cold, and it is snowy. People come out when they need to and do the things they need to do, but school is in full swing, work schedules are as busy as ever and it is just not as easy to sit and chat. Summer with its sunny, warmer, and longer days tends to put people more into the mood to chat. Look for me to be working on groups to chat, to plan, to dream, so that we can be pushed forward into a new thing. If you are interested in being part of one of those groups for short or long term, please see me.

We are also excited to host VBS again this year. Brandonville will have their annual worship and covered dish in the pavilion. There will be opportunities for friendship and fellowship. We will, as churches and as people look toward the future with hope. God is doing a new thing and seeing the future with hope is part of that.

Ringtown had their vote and determined to move forward with the building of their new building. We don't yet know when groundbreaking will be, but sooner rather than later, we will be able to see the new building, rising bit by bit, as we talk and dream of what God is doing. Are you looking forward to an air conditioned sanctuary? It is coming! Are you looking forward to not navigating steps? It is coming! Are you looking forward to once again seeing the stained glass window grace the front of the sanctuary? It is coming!

Let us wait and see where God is taking us personally and in our church families. Summer brings with it time of cookouts, relaxation, time with family and with friends. It brings vacations and camps for the kids. Time to just relax and see what God is doing.

Where will the rest of 2026 take us? It is time for a leap of faith, as we see together where God might be leading us!

Enjoy your summer friends and I will see you on the journey!

God Bless you All,

Pastor Michelle
